## Golden Helmets to kickoff Biketoberfest

WAYNE CAMPBELL Staff Photo

Fenwick Lions Club president Bruce Bissell hold tickets for a raffle to win this 2010 Harley Davidson FLHX Street Glide. The winning \$20 ticket will be drawn at Biketoberfest VIII 2010 on Saturday, Sept. 18, in Fenwick's Centennial Park.

WAYNE CAMPBELL  
PelhamNEWS Staff

PELHAM — The OPP will lead a parade of bikers to kick start the eighth annual Fenwick Lions Club Biketoberfest.

The Ontario Provincial Police's Golden Helmets Precision Motorcycle Team will guide the Ride of the Flags to their 7 p.m. performance at the Niagara Central Airport Friday, Sept. 17.

Biketoberfest VIII will continue Saturday, Sept. 18, in Fenwick's Centennial Park with vendors, show and shine, food and entertainment including More Bad News and the Horns from Florida.

It's a major fundraiser for the Fenwick Lions Club and includes a raffle for a new motorcycle. This year it's a 2010 Harley Davidson FLHX Street Glide. Second prize is \$1,000 and third \$500.

Over the last seven years, Fenwick Lions president Bruce Bissell estimates the event has raised about \$200,000.

"It gets bigger and better every year," he said attracting vendors and motorcyclists from across Ontario and from the United States.

## ■ BIKEFEST

### Ride of the Flags slated for Sept. 17 at Niagara Central Airport

FROM PAGE A1

The Lions use the funds they raise for their community programs such as Fenwick Flossie day, the Lions car val, the Golden Helmets parade as well as for the Welland Hospital Foundation, Lions Camp Dorset and the Lions Foundation of Canada.

"We were lucky to get the Golden Helmets, they haven't performed much this summer," said Bissell.

The OPP were tied up with extra police work for international summits held in Ontario, he said. The precision team has only performed a couple of times this year.

The Ride of the Flags, a motorcycle ride featuring flags, began four years ago to promote Biketoberfest and give motorcycle riders an different experience.

This year, because of the recent opening of I-90 at Fonthill, it will follow a rural route starting at 6 p.m. from the Original Clare's Cycle on Regional Rd. 20 to the airport.

Bissell said the ride will go up the former Hwy 20 to Elmwood, then down Canboro Rd., turning right and following into downtown Fenwick before turning left onto Church St.

The ride will then continue south to Webster Rd. where it will turn left and continue to Elginian St. and then south to River Rd. and west to the airport.

Past rides have drawn more

than 200 motorcyclists and spectators all along the route.

"This will be the third appearance of the OPP at Biketoberfest," said Bissell. "They really like the airport experience where they can combine a daylight and night show."

For the precision show, the Lions will contribute to an OPP selected children's charity.

Before the Golden Helmets perform during if the Fenwick Lions Club will have a barbecue serving hamburgers and hot dogs.

"So you can bring the family for supper and the show," said Bissell.

On Saturday Biketoberfest in Fenwick Centennial park will feature a barbecue, games and a silent auction.

"It's not just for motorcyclists," he said. "Come and enjoy the show and shine, the entertainment and the draws."

Tickets for the motorcycle ride are \$20 each and can be purchased at the event or in advance.

Bissell said ticket sales have been slower this year, possibly because of the economy.

Traditionally the Saturday night concert is a sell out, but if you don't want to wait in a long line, he suggests buying in advance at Clares, Avondale in Fenwick, the Donut Diner in Welland and Bismark and Tons of Bike Gear at 4179 Hwy 20 west of Victoria Rd. in West Lincoln.

The ride will then continue south to Webster Rd. where it will turn left and continue to Elginian St. and then south to River Rd. and west to the airport.

## ■ CONCERTS: Fifth year draws big crowds

### Fonthill Bandshell series enjoys fair weather summer

WAYNE CAMPBELL  
Tribune Staff

PELHAM — Hot dry summer evenings "were a blessing" for the Thursday Night Concert series.

"We've had no rain, nothing soggy which is good for any of the concerts," said Gayle Baljies-Chataway, chair of the Fonthill Bandshell Committee.

The concert series wrapped up its fifth season Thursday with The Modbeats, a band that played its Niagara rock roots here in 1966.

Baljies-Chataway said the series is supported by "our regular crowd who come out week after week."

She said it also draws people from out of town.

I know people from Grimsby, Port Hope, Smithville, St. Catharines and Niagara Falls," she said. "and we've a core base from Welland."

Increased costs have made the budget tighter, she said last week so she hoped "people will be generous during the last show" to ensure a good series next year.

The concerts have regularly drawn over 1,000 people to the hill around the bandshell with two or three nights rolling past 2,000.

Booking presents challenges on the more popular nights, "but we haven't had any serious issues," the committee

chair said.

She was particularly relieved when the start of a major reconstruction of Pelham St. was delayed until after the concert season.

"I had nightmares about Station, Pelham and Main, our main north-south streets, being under construction at the same time so people couldn't get here," she said.

A partnership with the Niagara Parks Commission, which is on Thursday nights just over the hill in Pelham Town Square, "has worked out

well."

Concert-goers can pick up tickets at the market or have supper in one of the restaurants in downtown Fonthill, she said.

The Thursday night series began on June 17 with Sandy Vine and The Midnights and presented a mix of entertainment that included the big band sound of the Lincoln and Welland Ambassadors, Fonthill Liners, a tribute to Johnny Cash by Jim Yorifice, blues by Steve Strongman, the Niagara

Rhythm Section, the Dave Murphy party band and jazz with Christopher Plock.

Baljies-Chataway said the bandshell committee will review the series soon after it ends and begin planning for next year.

"We always try to put in a little bit of diversity so we have something for everyone," she said.

"Going for sixth year? No doubt about it!"

■ ELECTION: Campaign under way

## Augustyn stresses leadership at headquarters opening

WAYNE CAMPBELL  
PelhamNEWS Staff

Mayor Dave Augustyn pointed to leadership and achievement in a speech to open his campaign headquarters last week.

"The election is about leadership for moving the town forward," he said from the back landing of his headquarters at 8-12 Hwy 20 in Pelham Town Square.

What the town needs is a leader who listens to people, who is positive and who pulls the community together, he said.

"Over the first four years I think I've demonstrated that I am a leader and a leader."

Augustyn went to cite accomplishments of the current town council over the past four years.

It included attracting federal and provincial funding that has allowed the town to reconstruct Haste St., Pelham St. and Franklin St. and replace seven playgrounds.

"For a long time, the town had not received any money from the federal and provincial governments," he said and then pointed to \$8.4 million of federal and provincial funding for stimulus projects.

■ ELECTION: Carole Racette enters race

## Candidate says education is the foundation

KAESHA FORAND  
Pelham News Staff

Carole Racette wants to ensure her grandchildren learn in a positive, stable school environment.

She wants to ensure that future generations of students receive quality education.

For those reasons, Racette filed her papers for the trustee position with le Conseil Scolaire De District Catholique

WAYNE CAMPBELL Staff Photo

Mayor Dave Augustyn surrounded by family and supporters cuts a ribbon to officially open his campaign headquarters at 8-12 Hwy 20 E. on Thursday. He also launched his campaign website [www.augustynforpelham.ca](http://www.augustynforpelham.ca).

"The second highest for all of Niagara," he said.

Augustyn said downtown Fort Hill will see "a huge rejuvenation" followed by one for Fenwick and to some extent Ridgerville.

It will be based on improvements to Pelham St. coupled with a community improvement plan as an incentive to upgrade downtown properties.

■ ELECTION: Ron Marion

Centre Sud.

Racette has held the French trustee for the position, taking over from Louise Gauthier who stepped down.

"Education is really the foundation for future generations, especially the Francophone

population in Ontario," she said. "Baby boomers are aging and will need services — especially in their own language."

For 21 years, she worked for the government program policy officer on the implementation of the French Language Services Act from 1985 to 2006, with the majority of that time with the Ministry of Health in Toronto.

see RACETTE | A7

## French board chair seeks re-election

KAESHA FORAND  
Pelham News Staff

Ron Marion played an integral role in the creation of the French public school board in 1985.

At the time he was a trustee with Niagara South School Board, when it was decided they would establish a French school board. He chaired the committee that helped establish the school board. "It was

crucial that I continue at that time," he said. "I joined the Conseil Scolaire de District Catholique Ouest when it was formed, Marion has chaired the board which covers a large territory from Welland to

Windor. He also serves as the chair of ACEOP — l'Association des Ecoles Publiques de l'Ontario, an association that supports all four French public school boards in Ontario.

"I've been a trustee as long as I've been a lawyer," he recalled. "I've always had an interest in having an impact on society."

## It's a tentative balance in real estate

**W**hile the price of homes in Pelham continued to rise, home sales actually dropped by 43% in August.

According to the MLS statistics as reported by the Niagara Association of Realtors, there were 13 single family unit sales compared to the total of 23 recorded in August of 2009.

Year-to-date sales have also now fallen below 2009 levels for the first time this year.

Between January and August there were 143 sales

in Pelham compared to 147 during the same time period last year — representing an overall decline of 2.8%.

Meanwhile, the 12 month average price for a home in Pelham has risen 11.7% since August 2009 reflecting higher sales activity in the mid-to

upper price range.  
At \$332,932 August's 12 month average sales price is more than \$30,000 higher than the same month last year, when the average selling price was \$298,157.

At the end of August, private homebuyers had an inventory of 178 houses to choose from — a slightly higher figure than the total of 167 properties that were on the market at the end of August 2009.

## O'Reilly's Bridge deck set into place

WAYNE CAMPBELL  
Pelham NEWS Staff

Crews working on a replacement of O'Reilly's bridge have just passed a milestone.

On Aug. 16 and 17, they dropped in place 16 precast concrete girders, said regional project manager Jason Marr, who oversees the project for Niagara Region.

"It's the basic deck structure for the bridge," he said about the beams.

Each is a 23 metres long, 1.22 metres wide and 1.12 metres high.

O'Reilly's Bridge is a historic link between Wainfleet and Pelham over the Welland River near the Niagara Central Airport.

The bridge, which hasn't been used for almost two years, is scheduled to reopen in November.

"It's a good day for O'Reilly's likely," said Marr as a hot sun summer has allowed work to roll along smoothly.

At the end of March, in a spectacular lift, a crane raised an old 40-ton iron-framed structure, off its moorings and moved it to the river bank.

Crews later dismantled the frame built in the early 1900s. Part of it will go into a historical monument on the west side of the river. It will tell the story of the various bridges that crossed the river point.

Replacing metal bridge is a \$2.8-million flat bridge with a centre support. The new bridge had an open span across the water.

Unlike the narrow, one-lane frame bridge, the new bridge will have two lanes with cycling and pedestrian pathways. It will also have decorative siding to celebrate the bridge's historical significance.

The Niagara Region awarded the \$2.8-million contract for engineering, planning and supervision to Brennan Paving Ltd. of the Miller Group, McCormick Rankin Corp. and Ellis Engineering.

About \$500,000 worth of approach-road work and landscaping will be done in the spring of 2011.

Niagara Region closed the bridge in June 2009 because of safety concerns. It re-took traffic after Becket's Bridge on Regional Rd. 24 to the west and to the Webster Rd.-Lincoln St. bridge in Welland.

## Today is election nomination day

If you ignored the municipal election through the summer, now is the time to focus. Today is the deadline for nominations for mayor, town and regional councillors and our four school board trustees.

In any election, there are candidates who out of some sense of drama, want to drop their papers at the last moment. Frankly, that makes me nervous. Some voters are offended by dramatics. They wonder if last-minute candidates have seriously thought about the positions they seek.

This time, such candidates may have handicapped themselves. The municipal election is on Oct. 25, almost three weeks earlier than the 2009 municipal election.

As of the last week, all the races for most positions and all incumbents in one way or another have declared.

For mayor, we have Mayor Dave Augustyn opposed by Ward 2 Coun. Sharon Cook.

In Ward 1, incumbents Debbie Urbancovich and James Lane are challenged by Lucy Clark. In Ward 2, incumbent Dave Friesen has three opponents: Don Cotter, Gary Accursi and Catherine King. In Ward 3, so far, there was no contest with councillors Peter Papp and John Durley standing unopposed before the nomination deadline. Similarly, Pelham regional Coun. Brian Batty remained unchallenged.

We have a contest in Niagara Catholic District School Board. Trustee Diane Croce is facing Larry Hubers. Trustee Gary Aramany was unopposed for the Group 1 School Board of Niagara position.

Trustee Ronald Marion was the only candidate for the French Language Public District Board. However, the French Language Separate District Board has two names on the ballot: Jennifer Jiles Letourneau and Carole Racine.

Later today, you will want to check the Town of Pelham's website, www.pelham.ca to see the final lineup for the civic election.

After that, it's your turn to go to work to make your choice.

### ■ MUNICIPAL ELECTION

WAYNE CAMPBELL, Staff Photo

Pelham town clerk Nancy Bozzato, left, and administrative assistant Dianne Bell hold a map of the Town of Pelham wards and polls. They are at the Pelham Farmers Market each Thursday evening answering questions about the Oct. 25 municipal election. They also have the voters list so Pelham voters can check if their names are on it. If not, changes can be made at the market stall. Farmers market runs from 4:30 p.m. to dusk in municipal parking lot in Pelham Town Square.

## ■ BRIDGE

# New crossing will accommodate pedestrians, cyclists and farmers

WAYNE CAMPBELL Staff Photo  
Work continues on the almost \$3 million replacement of historic O'Reilly's Bridge across the Welland River. The single-lane iron bridge was removed and a new two-lane bridge will include walkway for pedestrians and lane for cyclists. It will include decorative stone work. The bridge was closed almost two years ago for safety reasons.

## FROM PAGE A4

The new flat open bridge is expected to ease crossing for motorists, pedestrians and cyclists as well as for farmers who used the old bridge, who could not get over it.

In planning the new bridge, designers considered moving it to the end of Ellingham St., east of the current site.

However, an archaeological study found the remains of earlier native and European settlements. The Region considered the cost of further studies too much. It was decided to build the new bridge at its current site.

The settlement around O'Reilly's Bridge was one of a number along the Welland River, when it served as a transportation link into the Niagara Peninsula.

Today, the bridge joins River Rd. in Pelham with Regional Rd. 27 in Wainfleet and serves the Niagara Central Airport.

E.C. Brown Conservation Area, where the Niagara Peninsula Conservation Authority has a native plant demonstration and interpretation area, stretches along the river west of the bridge.

### REAL ESTATE

## Supply and demand

FROM PAGE A4

As inventory levels begin to creep upward the average time on the market for year to date home sales in 2010 is 90 days compared to the break-even of 70 days in 2009.

So far this year 300 homes have been listed for sale in Pelham. This figure is 2.2% below last year's 8 month total of 310 listings. The declining trend in new listings is helping to offset lower sales rates. The combined effect continues to create a tentative balance between the level of supply and demand in the local real estate marketplace.

### What is the importance of healthy eating for denture wearers?

The relation between significant tooth loss and the ability to chew fresh fruits, vegetables and meats, has a great impact on the nutritional value of one's diet. Toothless or partially edentulous individuals are at a higher risk of malnutrition. Edentulous individuals with poor nutrition intake may be at higher risk for a variety of diseases. For example those who consume little vitamin A are at a higher risk for various forms of cancer, heart disease and rheumatoid arthritis. Similarly the dietary deficiencies of vitamin E are associated with various cancers, heart and Parkinson's Disease and low vitamin C and thiamine levels lead to a reduced immune system function, cardiovascular disease, hypertension and nausea, constipation as well as appetite and weight loss. Another ill effect of a low nutrient diet is a loss of muscle mass and strength caused by inadequate intake of protein, which could further increase frailty. An increased intake of fat and cholesterol observed in toothless patients have been associated with obesity, diabetes mellitus, as well as arteriosclerosis.

### What can I do to prevent any of this happening to me?

Considering the vast implications of a low nutrient diet, it is worth acknowledging that nutritional balance and good health can be significantly improved and restored with the use of a well made denture, and a vitamin supplement regime planned by your doctor. A well made denture, will allow you to introduce back into your diet all the nutritionally loaded foods such as fresh fruits and vegetables, proteins and nuts that were avoided when chewing with an ill-fitting, poorly designed denture. Individuals with implant supported dentures, greatly improve their food choices by including more hard to chew foods that are rich in nutrients, therefore greatly improving their health status.

To switch to a more balanced diet may be as easy as having well fitted dentures, that allow for improved chewing and grinding function. The ability to better chew fruits, vegetables, meats and nuts will increase your nutrient intake and may decrease your risk of various disease. For more information see your Denturist.

**Are You Feeling the Pain?**  
Are you feeling the pain from stiff knees, sore finger joints and an aching back? These are just a few of the ailments we seem to suffer as we age. As a matter of fact, by the time we turn 45 fact, by the time we turn 45 years old, almost half of us will suffer the aches and pains of joint problems caused by aging, injury, overuse or arthritis.

Joint stiffness often limits your mobility and makes it difficult to perform many daily functions - because it's too painful. Yet, in spite of the pain and the problems caused by aching joints, many people are reluctant to take prescription drugs because of the side effects.

Joint pain and arthritis is the number one cause of disability and affects more people than ever. Did you know that in North America alone each year, arthritis results in more than 36 million doctor and hospital visits? And nearly two-thirds of people with arthritis are younger than 65 years of age!

board: chair**

FROM PAGE A3

He said it's an exciting time for the French Board which has been busy since the board's creation and ground being broken recently for new schools

in London, Pickering and Windsor. Board meetings are held at the board's head office in Toronto and also rotate in its communities on a monthly basis, and additional meetings are held through phone or video conference.

An advantage of being the board chair is setting the agenda, which can be challenging given his busy schedule.

Mariam is 61 and is married to Janet. They have four

daughters, Jennifer, Michelle, Nicole and Danielle. He offers French and English services as a lawyer in the Welland Mews, and in his spare time is a volunteer coach.

He coaches the Welland Wizards girls under 15 soccer team, girls' under 15 basketball team and the Ecole Secondaire Confederation senior girls basketball team.

Last year the Jaguars won gold at OFSAA, a feat he hopes to repeat this year as the host school.

"It keeps you on your toes and you can never underestimate experience," he said of volunteering.

Mariam was acclaimed in last year's election, and this year he is the only candidate to have registered to date.

**BOOK SIGNING**

**Author was inspired by Godfather**

WAYNE CAMPBELL  
Pelham News Staff

PELHAM — Doug Wilson always wanted to write a novel.

However, a "poor excuse" that he didn't have time held him back.

"Then I decided to make time," said the Penwick resident.

A commute of more than hour each way to Hamilton became the way he found it.

"I would think about scenes, mash them together," said the supervisor of clinical nutrition at St. Joseph's hospital.

"I would put it in here" he said pointing to his head. He typed it into his computer when he got home.

It took him months of working at bits and pieces to complete his first novel *Crossfire*.

He plans to hold a book signing at the Pelham Public Library on Saturday, Sept. 18 from 2:30 p.m. to 4:30 p.m.

*Crossfire* is a mystery tale of organized crime mobs fighting for control of Toronto.

Its hero, Jack, becomes caught in the crossfire of emotions as he sees justice following a tragic accident. A missing person investigation triggers his actions.

He's been a mystery reader for a long time, said Wilson.

"I read and watched the Godfather book and movies, have all the episodes and love mobsters-type TV shows like *CSI*."

He tapped into family resources for background and guidance while writing *Crossfire*. His brother David Wilson is a retired RCMP sergeant and private investigator. His son D'Arcy Wilson is a law student and helped with editing.

"I was worried whether I would do a half-decent job," he said about the challenge of writing.

Decoding body language of a character, for example, was something he had to develop.

# Library helped arrange signing

FROM PAGE A9

WAYNE CAMPBELL Staff Photo  
Fenwick's Douglas Wilson has written his first novel called Crossfire.

Another challenge was finding a publisher. A dozen said they wouldn't take a manuscript.

However, Welland publisher Anthony Mollica at Editions Soleil took it on the condition Wilson pick up the costs. Guy Demers of Creative Sciences served as graphic designer.

"I just want to make back the cost," he said about the \$15 a copy book.

Wilson said he was impressed by the support he has received for the project from both family and friends and from the community.

Local businesses welcomed his poster. The library helped him to arrange the book signing. Fonthill Sobeys

and Coles at the Seaway Mall may also have signings.

Wilson said he is working on a couple of other book projects now that he has finished this one. He enjoys the writing, he says.

"You do it for the love of it and sharing it with other people."

### A CANADIAN ICON

It is a Canadian icon and integral to the most successful loyalty program in Canadian retail history. It is printed using the same

process as legal tender including the latest anti-counterfeiting technology. Tourists have been known to pass it off as legal tender. It has been used as legal tender by eBay.ca and

other merchants. A song by Quebec singer Monique Serge, claims it is more stable and a better investment than the Canadian dollar. It is often stolen during residential break

and enters. A German man was caught with up to \$11,000,000 in counterfeit before it could be passed off as real. More than \$100 million in rewards are distributed every year. Some

bills are worth up to \$800. It is Canada's own Canadian Tire "Money." Thayer Bouck, President, CEO of the Canadian Tire Coupon Collectors Club will be at the Pelham Public Library

to talk about the club and share many more fascinating facts.

Tues., Sept. 28 at 7:30 p.m.  
Admission: Five Canadian  
Tire/gas coupons or coins.

■ SOCCER: Playoff game

## U10 Boys win over Thorold

For PelhamNEWS

Revenge was on the minds of the DelGobbo Law U10 Boys Pelham Panthers as they visited Thorold. Last season, Thorold forced the Panthers early exit from the playoffs. This time things were different. Although Thorold jumped out to a 2-1 lead, Joey Loscavio scored twice in his second of three goals of the night. David DelGobbo, on his first of two goals, put Pelham up 3-2 on a rocket shot on a set play from a corner kick which was fed in by Graeme McKinley.

Graeme McKinley and Charlie Devries dominated the midfield and each scored a goal making the final score, 7-2 for Pelham.

■ SOCCER: Team entering playoffs

## U9 Panthers have good regular season

For Pelham NEWS

The U9 Kaman's Auto Service Pelham Panthers Boys Soccer Team had a fantastic season, ending with a 5-4-5 record after playoffs.

The last five games for the boys were:

In week 5, the boys played Concord and tied 6-6 with Liam Soduke getting the shutout. Aug. 12 game was a loss of 4-0 against Fort Erie, Aug. 16 game against Niagara Falls was a 0-0 tie with Liam Soduke getting the shutout. Aug. 20 game vs. against Niagara-on-the-Lake with a loss of 2-0 and the final league game of the

year was against Thorold and Pelham ended victorious with a 5-3 win.

This game started off slow for the boys being down 3-0 in the first 15 minutes and then the floodgates opened. Zach Pasma was a force for the team by giving the team many chances.

Bradley Steele stepped up his play by getting the ball from Josh Glen and blasting it into the back of the net for the first goal.

The boys then increased their pace from Campbell Todd to Bradley Steele to Josh Glen who finished off their top of the net.

The Panthers third goal was right before the halftime whistle by Devon Thibodeau for his first goal of the season.

Campbell Veld assisted this goal.

Going into the second half, the Panthers knew they had to continue to be aggressive and steamroll the other team to be successful. This aggressiveness lead to a penalty shot for Thorold which was converted by Liam Soduke down to score by Nicholas Chambers, assisted by Bradley Steele and Josh Glen.

The icing on the cake goal came from Devon Thibodeau assisted by Campbell Veld and Middleiders of Ethan Mergi, Quentin Annunziata, Evan MacPherson and Lucas Fast helped their goaltender Liam Soduke in the second half for the fantastic win for the end of the season.

## ■ SOFTBALL

## Game of their lives in big win

For PelhamNEWS

outs over five innings plus pitched a solid game.

Lodde's final playoff game took place Aug. 21, in a return match with Gilbert's Flowers.

Lodde struggled at the plate, going 0-for-2, but in five innings of play, Gilbert's

Flowers won in a landslide 22-2, ensuring their advance to the final round.

Herb Lodde's & Sons Roofing ended third in the regular season and third in the playoffs.
